Center for Education in Medicine
Ass Professor of Pediatrics and
Medical Education
Northwestern University Feinberg
School of Medicine
Ann & Robert H. Lurie Children's
Hospital of Chicago
Division of Emergency Medicine
Chicago/USA

Walter Eppich, MD, MEd is a pediatric emergency medicine physician at the Ann & Robert H. Lurie Children's Hospital of Chicago and the Northwestern University Feinberg School of Medicine, where he is Director of Faculty Development for the Center for Education in Medicine. He has been a co-investigator on multiple simulation-related research grants. Nationally and internationally, he has taught extensively on basic and advanced simulation instructor courses and has been an invited speaker on topics related to simulation and debriefing around the world. His research interests involve feedback and debriefing as well as the intersection between workplace- and simulation-based learning. He is a Member of the Board of Directors for the Society for Simulation in Healthcare.
